VENDOR MATRIX

MODA FORESTO

VEND

Our vendors – who form our source base within India play a key role in our Commitment to being the best supply chain network for our customers.

We believe in building strong and sustainable relationships with our vendors. Our vendor relationship management systems have helped us in understanding and improving our vast global supply chain system.

Our primary goal is to deliver the best possible sourcing with a keen eye on quality, time to market, and price. Our vendors are our partners in this goal.

QUALITY IS PRIME

Moda Foresto takes pride in the integrity of its services and products. Not only do we actively improve on our quality assurance process in order to exceed brand expectations, our agile organizational structure enables us to implement and scale up best practices quickly and efficiently.

As a unique intermediary who understands and translates clients' quality requirements, we ensure that our suppliers' standards are aligned with each product's goals. Every one of the regions in which we operate is evaluated for their level of product integrity from time to time. Where gaps exist, we work with suppliers to bring their processes up to code, through proactive quality issue resolution, QC/QA training and helping create viable self-auditing system.

Also, Provide 3rd Party inspections if buyer requests as we have reputed labs on board such as ITS and SGS

How we work in 6 Steps

FACTORY INTRODUCTION

Introduce to your factory as your team on the grounds

COLLECT INFORMATION

Provide us with you tech packs and a copy of your purchase order

SAMPLE APPROVAL

We pre-screen all samples and materials prior to leaving the factory to ensure only those that meet your requirement are sent

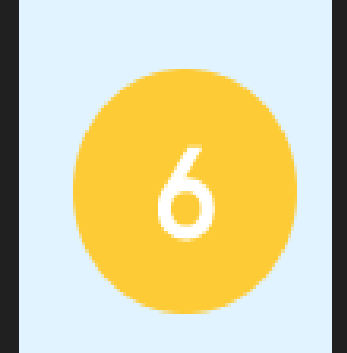

PRODUCTION

Our on site experts conduct audits including the line and top sample inspections to identify issues before they cause defects

FINAL INSPECTION

We conduct a final inspection to ensure all workmanship, packaging and shipping requirement are met

APPROVE & SHIPMENT

You grant us the final approval for the cargo to ship out and we will notify your freight forwarder
